

Gujarat Vidhan Sabha
Goes Digital with

NeVA

Overview:

iValue Systech Pvt. Ltd., an Apple Authorised Reseller with a 15-year legacy in the industry, embarked on a transformative project to digitalize the Gujarat Vidhan Sabha. The vision drove this initiative to integrate the National e-Vidhan Application (NeVA) into the legislative processes of Gujarat. The project culminated in the historic inauguration of NeVA by the Honourable President of Bharat, Smt. Droupadi Murmu, at the Gujarat Legislative Assembly, using Apple iPads provided by iValue.

**Transformation from
Physical to Digital**

**Environmental
Conservation**

Challenges

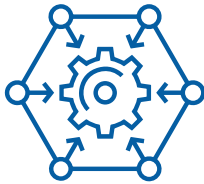

Security

Convincing authorities about the efficacy and security of digital platforms in legislative proceedings

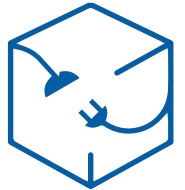

Technical Integration

Ensuring seamless integration of NeVA into the existing infrastructure of the Gujarat Vidhan Sabha.

Device Deployment

Deploying and Managing a large number of Apple iPads and accessories across the legislative assembly.

Solutions

Product Demonstration:

iValue conducted detailed product demonstrations, showcasing the capabilities of Apple iPads to the authorities at the Gujarat Vidhan Sabha.

Asset Management:

Setting up Apple Business Manager facilitated efficient asset management and device monitoring throughout the project lifecycle.

Configuration and Provisioning :

iValue undertook the task of configuring and provisioning each iPad, customising settings to align with the legislative workflow.

Device Deployment:

Close to 239 Apple iPads were deployed at the Vidhan Sabha, equipped with accessories such as Type C multiport adaptors and heavy-duty brass iPad stands for enhanced productivity.

Pilot Testing:

A demo iPad device was provided for rigorous testing, ensuring compatibility and functionality within the legislative environment.

Extended Warranty:

Apple Care for Enterprise, with a total of 3 years of warranty was provided, ensuring uninterrupted support and maintenance for the deployed devices.

Result

Seamless Digital Integration:

NeVA was seamlessly integrated into the legislative proceedings, streamlining processes and enhancing efficiency.

Enhanced Productivity:

The deployment of Apple iPads and accessories contributed to enhanced productivity and workflow management within the Vidhan Sabha.

Historic Inauguration:

The historic inauguration of NeVA by the Honourable President on Apple iPads marked a significant milestone in the digital transformation of legislative assemblies.

Environmental Conservation:

By transitioning to a paperless system, the state will save approximately 25 tonnes of paper that was used in the assembly every year.*

About

iValue is an Enterprise Partner with companies like Apple, HP, Dell, Cisco & More. iValue provides end-to-end solutions to businesses of any size with in-depth consulting, POC, infrastructure deployment, and maintenance.
